Terry McGovern and "Young Corbett" vill very_likely fight their championship battle in San Francisco, despite the big offer of the Penn Art A. C. of Philadelphia. The fighters do not think the bout could be held successfully in the Quaker City, and all that is wanting now to assure its going to the Coast is a \$5,000 check from the Hayes Valley A. When the bids for the fight were opened it was found that only two clubs opened it was found that only two clubs had filed offers. One was the Hayes Valley club's and the other the Penn Art A. C.'s offer of 80 per cent. of the gross receipts. The former bid 60 per cent. of the receipts, and that seemed to meet the favor of the two little fighters. Although it was not formally accepted, the time for bids was extended to next Tuesday night, when all offers must be accompanied by a \$5,000 certified check. The fighters themselves will post \$2,500 each to guarantee their appearances.
